VIC'S VIDS!

T-REX™

T-REX are dinosaurs with a difference. They may appear to be just a bunch of stand-up comics at the Dragon Co club - but really they're dedicated undercover dino-tectives. It's their job to keep Rep City out of the clutches of Big Boss Graves, the lowest low-down reptile you're ever likely to meet. This great new vid features three terrific T-REX adventures in over an hour of dinosaur fun - and my very good friends at Tempo Video have given me 15 VHS copies to give away to Buster readers. All you have to do is write your name and address on a postcard, or back of a sealed down, empty envelope, and send it to: T-REX Vids at the usual Buster address. First 15 pulled from the postbag after 23rd November, 1993, which is the closing date, will get the goodies. So get writing, pals.
